Greetings from Castille Charters and Sunny North Queensland

As winter takes it's grip, we all start to think of warmer climates, sun soaked beaches and of course that fish I caught last year! Well this year is shaping up to be an absolute cracker with good weather patterns and the return of juvenile black marlin to Townsville and Cairns the signs are looking great!

Australia is unquestionably one of the best locations for Marlin fishing, heavy tackle, light tackle and saltwater fly fishing. Whatever your needs we can accommodate them to provide a unique experience for YOU.

***A Castille Charter is only limited by your imagination
Come with us and make your dreams a reality!***

Availability for the 2012 season

At Castille Charters we don't just take you fishing, we take you on an adventure.

The ultimate fishing experience

Our 47 foot O'Brien Castille III is powered by twin Cummins QSM11 engines rated @ 660 BHP cruises at 26 knots with a top speed of 31 knots. This means we are extremely fast and travelling times are short, therefore your fishing time is longer. Our hull is very efficient which gives our guests a very soft ride.

The Castille III is fully equipped with all Shimano, Penn and Saltiga Tackle. Castille III also has 4 Cameras recording all your fishing action. That we can play back and make your own DVD of your trip.

Come and enjoy the Castille Experience!
